FROM FLOOR TO BED

**HELPING CHILDREN HAVE
A GOOD NIGHT SLEEP**

OUR MISSION

Our goal is to help children be successful in school and life. Children are more likely to do well in school when they get a good night sleep. Which is hard to do when they are sleeping on the floor or on a pile of clothes. Some children we have delivered to have never had a bed. Our mission is to break the cycle and to guide these kids to being successful adults.

WE HAVE FOUND THAT MANY CHILDREN IN WINSTON SALEM ARE SLEEPING ON THE FLOOR.

SINCE WE STARTED DELIVERING BEDS IN 2017, CITY LIGHTS HAS GOTTEN OVER 500 CHILDREN OFF OF THE FLOOR.

OUR SERVICES

WHAT EACH DELIVERY INCLUDES:

along with the hand-made bed frames that we build in our warehouse, we also provide -- A bed bug and waterproof mattress, sheets, a blanket, a bible, a bag of groceries and a stuffed animal.

With our mattresses being waterproof and bed bug resistant, the children are guaranteed a bed without any worries of losing it.

We deliver each bed and build it in house for them. Making sure it is built correctly and safely.

EACH SINGLE BED OR BUNK BED AND EVERYTHING IT COMES WITH IS FREE OF CHARGE TO THE FAMILIES.
